

## **Wisconsin Food Pantry Conference Call Notes, Friday November 12, 2021**

### **TEFAP**

As a follow up from our conversation last month, TEFAP eligibility guidelines and application are updated on DHS's website as of Sept 30th.

- <https://www.dhs.wisconsin.gov/nutrition/tefap/eligibility.htm>
- <https://www.dhs.wisconsin.gov/library/f-40059.htm>

It is likely that Jennifer Putzer will be able to join our calls again starting next month.

**TEFAP Annual Renewal:** We will again waive that requirement. However, remember that at each food distribution, you are asking the household if there are any changes to the names and numbers of persons in the household, and where they live. Remember that homeless and undocumented households and those experiencing partner abuse can use the local library or public building as their address.

See TEFAP FFY22 Guidance Memo for more information:
